## **Art Central Programme Manager**

---

Six-month contract, Full-time  
November 2024–April 2025

Art Central seeks an enthusiastic and experienced events project manager to join the 2024 team to lead a wide range of special programmes. A cornerstone event of the annual Hong Kong Art Week, Art Central showcases leading and up-and-coming galleries from Asia and beyond with an ambitious programme that includes performances, large-scale installations, talks, tours and educational activities.

Reporting to the Fair Director, the Programme Manager can expect a high level of interaction with the curatorial, marketing and operations teams and with external vendors and partners. Ideal candidates will possess a good knowledge of the arts industry in Hong Kong and demonstrate exemplary project management skills. The Programme Manager is also responsible for budget creation, tracking and reporting. A final assessment of the programme and associated costs will be required.

A set programme brief will drive the schedule and development of programmes. Excellent professional communication in English is a requirement for this role.

Candidates can submit a CV and cover letter by email to [careers@artcentralhongkong.com](mailto:careers@artcentralhongkong.com).
