

Recruitment of Docent for Exhibitions

Sixteen Oddballs Limited is an all-round agency specialising in art and cultural projects. We are excited to facilitate the visiting and learning experience for our client's three upcoming exhibitions, which will showcase innovative works by international creative talents in art, design, and technology.

This academic year, our client will host three exhibitions that explore various aspects of fine arts, architecture, fashion design, VR experiences, and AI-driven art-tech projects. To enhance the visitor experience, each exhibition will feature guided tours, interactive workshops, master lectures, and a range of learning resources.

We are currently seeking suitable candidates to join the Sixteen Oddballs team as facilitators and mediators between our audiences and the exhibitions.
